12th December 2024

Dear Parents/Carers,

In the winter term we tend to see more children being dropped off and collected near to our school entrance. Please can we remind all parents and carers that our school is in a residential area.

We have seen a rise in local resident complaints regarding Colton Hills Community School parent and carer driving / parking etiquette. Please can you avoid parking on or across residents' driveways to ensure that they maintain access rights to their own property.

Please can we also ask that the roundabout is kept clear enough for all vehicles to be able to flow around as per normal rules of the road. This is a critical access point to the school site should we have the need for emergency services to attend school at the start or end of the school day.

Thank you for your help with this matter as we wish to support our local community.

Yours sincerely,

Ms J Hunter
Headteacher
