Dear Parents / Carers,

I hope you have had a restful break and are looking forward to this new half term.

As you are aware, students have been in form groups since September to aid the transition from Primary school. However, we are now at a point where we will be re-grouping students. As a HPL school we believe in the 'relentless pursuit of success' for all students and re-grouping will support your child's success in English. The groupings will not be based on ability, but on a range of factors and research as we will always strive for well-educated, well-rounded students at Colton Hills Community School.

There are a range of resources to support your child with their literacy and we recommend our online platforms: Bedrock, First News and Seneca. In addition, students have access to our Library where they can take quizzes on the books they have read as well as complete their homework each day.

If you have any questions or queries, please do not hesitate to contact me.

Yours sincerely,

S ROWLEY

Mrs S. Rowley
Curriculum Leader for English
