JHU/THO

3rd July 2024

Dear Parents and Carers,

We are now only 2 weeks from the end of this academic year and this letter may be a useful one to keep as it contains important information for the start of term and some key dates for 2024/25.

Tuesday 3rd September 2024

All students are required to be on school site between 08:00 am and 08:25 am for a prompt 08:30 am start to lesson 1. Year 7 will make their way to the theatre for their first assembly and Sixth Formers will need to report to the Dance Studio for their assembly. All other students will make their way to form rooms and we will have posters up to support them in finding the correct rooms. Every year group will have a welcome assembly in the morning with normal lessons commencing in lesson 3.

Please remember that the school day will finish at 3:00 pm every day of the week and that students must arrive in their normal school uniform, bringing PE kit on appropriate days. All students will need to bring PE kit on 3rd September if it is on their timetable on that day. Timetables will be sent out on 2nd September, however if they are in any doubt, it is best to come with a fully labelled PE kit on 3rd September.

Academic Progress Update

In September 2024 we will be launching a new online booking system for Progress Evenings and will send out information about how this system will work. This should mean that you as parents and carers will be able to make appointments swiftly with each subject teacher to discuss your child's progress. To help with forward planning please find the relevant dates for your diaries.

If your child is currently in Year 12 these are the dates you will need.

Year 13 Mocks	11 th November - 22 nd November

If there are pastoral areas of concern, please do contact your child's form tutor in the first instance and they will be able to have a holistic overview of school performance. If you have a specific subject that is causing concern in between report releases and progress evenings, then please contact your child's subject teacher in the first instance.

Reports will be sent out electronically week beginning 16th December for all year groups so that you are able to see progress made during autumn term and week beginning 7th July for summer term progress updates.

We hope that by sharing these dates ahead of the new academic year that you will be able to see key dates when we can discuss your child's academic progress.

Yours sincerely,

Ms J Hunter
