18<sup>th</sup> July 2024

Dear Parents/ Carers,

**End of Term**

As we move rapidly towards the close of another busy and fun-filled term, it is my delight to contact you with some exciting news regarding our pastoral teams for next term and arrangements for our return from the summer break. You will see that we have been able to keep many of the teams together and in place but there have been a couple of changes as a result of new staff appointments. We maintain a strong core of experienced staff, adept and skilled at handling the pastoral care of your children.

For ease of communication, can I suggest that in the first instance for any query, you contact the Assistant Year Leads should you have a pastoral need. We are very much encouraging our Form Tutors to play an active role in all communications with parents and carers – please feel that you can contact them also via the School Reception. We understand and appreciate that known trusted adults can make a significant difference in your child being settled in school on a day-by-day basis.

Next year promises to be just as exciting as this one!
